Have you ever felt strange energy in a vintage shop? Can spirits attach themselves to inanimate objects? If you buy a haunted antique, will a ghost follow you home?

Join Corrine Kenner, owner of the Haunted Antique Shop in DeLand, Florida, for a wide-ranging discussion about ghosts, spirits, and “possessed possessions.”

Corrine is an author, astrologer, and certified tarot master, and she’s also a medium who uses tarot cards to connect with spirits on the Other Side.
